"I wouldn't be surprised one day Mister Clinton lands up with some drugs. The way it is such a fashion, it is such a fantastic thing for them. You go to any party of elite people, which I have to sometime, they only talk about drugs. `` You see You, You want? Which drug [do] You like?" So, `` I don't like any drug." [Some laughter.] `` No, if You want, You can get it cheaply in this, You know, if you go there and get it there." They discuss it in the elite parties."

**1994-0410 Śhrī Mahāmāyā Pūjā, We Are All in Her Body, Marque, Āśhram, 24 Pukenui Road, Epsom, Auckland, New Zealand**

"Even the president America ... of America [William Clinton] has the worst Viśhuddhi I've ever seen! So you can imagine what good is he going to do! What wisdom will he have?"

**1994-0828 Śhrī Kṛiṣhṇa Pūjā (English+Marathi), How You People Have Gone Away in the West from Śhrī Kṛiṣhṇa's Styles and His Methods (Where Are We Going Wrong and How Can Śhrī Kṛiṣhṇa Save Us), Tent, Cabella Ligure, Italy**

"In America you cannot talk against homosexuality.

[Repeats for the translator:] In America you can't talk against homosexuality.

Because homosexual gave votes for Clinton to be elected. And the AIDS are the reaction, now [how] to stop it!

Now with this AIDS reaction, what is happening is that: they have now become like martyrs, they think it's a very big thing they have done. Because their ego now is hurt, and they do not want to admit that they have done mistake, that they have got this AIDS, this horrible disease."

**1994-0914 Scientific Conference `West--East', Sankt Petersburg, Russia**

"So, you must know you enter into the Kingdom of God. Is not kingdom of Mister Bill Clinton. No, this is the Kingdom of God, where: you are looked after, you are loved, you are lead into right path, you meet nice people and the life becomes so

**easy, sahaja.** Just you see that some nice people are meeting you, suddenly. Something nice [is] happening."

**1994-0928 Indian and Iranian Public Program (English+Hindi+English), Sequoia Athletic Club, 7530 Orangethorpe Avenue, Buena Park (33 kms SW of Los Angeles), CA, U.S.A.**

"Now supposing I will ... even want to meet the president of this country [William Clinton], I'll have to go through such a protocol. I may not meet him.

But this One is the God of Gods. He's the President's of all the presidents. If you have to take His name, if you go and take name of Lincoln, a yeah of Clinton, and go on saying, `Clinton, Clinton, Clinton,' they'll all arrest Me! So if you go on saying, `Rāma, Rāma, Rāma, Allah, Allah, Allah, Akbar, Akbar, Akbar,' you'll be arrested! You have no connection!"

**1994-1002 Śhrī Yogeśhwara Pūjā, Śhrī Kṛiṣhṇa and the Enlightenment of the Brain, Camp Vacamas, 256 Macopin Road, West Milford, NJ, U.S.A.**

"Now this Missus Clinton, Hillary Clinton, came here and said that -- they always interfere with [the] government so she thought, think they have the right to say whatever they like. Instead of thanking the Chinese government for arranging such a nice conference, she just tried to show off. \footnote{Śhrī Mātājī was the only delegate speaker who thanked the Chinese government for organizing the conference.} And what she says, that, `You should not force women to have less children. And they should have [the] right,' you see, `to have as many children as they like.' Because it's all right in America where, to these White people, white-skinned people, children are not born, they don't want to be born there. Because children are wise. Why will they be born in such a stupid country where children are killed by parents, by everybody? They are after the lives of poor children!"

**1995-0913 Public Program, Function Room, Jinguang New World Hotel-Manfulou, Beijing, China**

[The upcoming presidential election in the United States does not offer any good alternatives between the choice of Bill Clinton or Bob Dole. Śhrī Mātājī spoke disparagingly of the American president's wife, Hilary Clinton.]

**1996-0920 Talk to Sahaja Yogis, Airport and Hotel, Pan Pacific, Vancouver, BC, Canada**

"Collective Consciousness: sitting down here you can feel vibrations of Mister Clinton or you can feel the vibrations of any person anywhere sitting down here."

**1997-0406 Public Talk to Doctors, Conference ``The Art of Healing and `Sahaja Yoga' -- A Special Session on Alternative Medicine", Indian Medical Association, FICCI Auditorium, 1 Tansen Mārg, New Delhi, India**

"In a way, you see, the reaction to anything which is stupid also can be very self-destructing.

Like some people have built-in reactions, like you have seen this Mister Clinton behaving. I mean you can't understand a man of his stature, of his level, should have such reactions! But must be from his childhood or I don't know how he built it up. Now, he is in trouble. And very shameful.

This also is, I think perhaps, comes from a very great indulgence into reactions. Why should you react? To a woman, I can't understand. Or to a man! And this is one of the biggest problems of today's culture, especially in all the developed countries: that all the time men are looking at women, women are looking at men. For what? Perhaps they look at women because they want to see how many women are looking at them. [Laughing:] Our they look at men, perhaps maybe that how many men are looking at them."

**1998-0816 Śhrī Kṛiṣṇa Pūjā, Witness Without Reaction and Allow the Power to Act, Hangar (now Nirmal Temple), Albera Ligure, Italy**

"I mean now, say, there's ... uh-uh-uh, say Clinton, now is in trouble. In India he would have been thrown out [a] long time back. You see, because the value system of morality is very well described in Indian culture: this is not moral, this is moral. And the ruler has to be absolutely a moral person.

But in A-America, you see, is different. There, eh as I said, is that perversion has come into the brains of people. And because they have money, materialistic people try to follow American life, which is not congenial. If you go to-oo America you will find [it] is not congenial to human beings, is very destructive. People are very destructive, they have no love, they try to dominate, they have racialism. I mean they have all kinds of things there."
