"Sitting here you can see Nixon's Kuṇḍalinī. It sounds surprising but yes, you can see it. That way you can understand what trouble he is in, what his blockage is and where the vibrations are stopping."

**1973-1207 Public Program (Hindi), Day 1, Sahajyog ki Utapatti (Origin of Sahaja Yoga), Biralā Krīṛā Keṃdra, Chowpatty, Girgaum Chowpatty, Mumbai, Maharashtra, India**

"Sitting down in London we knew what was happening to Nixon."

**1980-0429 Public Program, Pure Intelligence, Geneva, Switzerland**

"When Nixon was having trouble, suddenly I don't know, I said, "Find out about Nixon, how is he!" And, they said, "Mā, he is in a terrible mess.""

**1982-0710 Public Program, Day 1, We Have to Know Something More (Modern Times Are the Times of Confusion, Experience of Your Awareness, and You Become the Spirit), Derby, Derbyshire, UK**

"And so many examples you'll lel [have], you'll be surprised. Like one day, somebody said, "Mother, hām̃ [yes], what is going to happen to America?" I said, "Nixon is in trouble." He said, "How? How do You know, Mother?" I said, "You put your hands and ask the question, 'How is Nixon?' " And all the hands were burning, and he was in trouble. Of course it came out much later but I told them he was in trouble."

**1985-0313 Public Program, Day 3, Lancaster Room, Hyatt Kingsgate Hotel (now Zenith Apartment Tower), 82/94 Darlinghurst Rd, Potts Point, Sydney, New South Wales, Australia**

"Now, about anything that you want to find out, you have to just feel the vibrations, because they are absolute. The other day, we wanted to know about Nixon, President Nixon, how he was. And when we saw his vibrations, all our fingers were burning. So, we knew he was in trouble, much before it came out."

**1986-0709 Public Program, Day 2, Uncertainties Have Created Chaos,  
University, Vienna, Austria**
