**Śhrī Mātāji:** Ah, I must tell you about Mister Bush. [Laughs, laughter.]

I don't know how but this Mister Bush has been very much been eh i-impressed by Caĭin [Costian], you know Caĭin, who is from Romania. And the he, for the last five of My birthdays, he has been sending Me best wishes.

He is a nice man, must say vibration-wise very good.

And the, wait. I saw this another fellow was-sss, he was a very cunning, I must say. Not only that, but also very shrewd type of a man.

And the I thought that uh he [Bush] cannot win.

But, you see, there's one of the qualities of the Goddess is that, uh-uh-uh said that I ... ah, "Yā Devī sarvabhūteṣhu, Bhrānti rūpeṇa samṣthitā." Means She creates confusion. [Laughter.] [Laughing:] I'm [I've] have explained in My last Pūjā why She creates a confusion.

So you see the confusion that's going on. And the, Rajesh Shah who is an expert in **Devī Māhātmyam**, he said that, "Mother, now are You creating confusion there?" I said, "You have a look, see, let us see." [Laughter.]

**Karan Khurana:** Śhrī Mātāji was watching the election as it was happening. [Śhrī Mātāji laughs.] The Florida state was given a go in the beginning.

**Śhrī Mātāji:** Hām̐ [yes].

**Karan Khurana:** But Śhrī Mātāji gave it a bandhan: literally two minutes later they said, "It's undecided." [Laughter, laughs.]

**Śhrī Mātāji:** So, this bhrānti is working very well here. [Laughter, laughs.]

And the, I think, you see, this country is to be saved.

And he wrote a very nice letter to Me also. He was very sweet. He is a nice man, you know, e [is] very, I should say, very princely type.

He's not cheap like this man. He's very cheap. He's going so far with all kinds of tricks and things. Then the other day I saw him mh laughing, his wife laughing, I was quite surprised. Then I was told that people criticized that, "You don't laugh," that's why he was laughing.

[Hindi.]

With Bush we can do a lot, I am sure.

"Even Mister Bush wants to meet Me very [unclear]. I've written a book, called **Meta Modern Era**, which he has read. And he wants, writes to Me, he wants to have something from Me also.

Surprisingly, uh their democracy is only two hundred year old, but they are very, I should say eh-eh, deep in understanding. And education is of [a] very high institution.

And thus they're, I think, they are open to understand everything that is good. I think their problems are not so difficult, because they are not at all fanatic. Very well educated and know a lot about everything."

**2001-0831 Public Program, Caffè della Versiliana, Versilia, Italy**

"Dear Mr. President

I wanted to write to you earlier, but I felt that you were too busy with the crisis in your great country. All the while I have been watching you and your activities through television. I had conveyed to you earlier that I had a vision about you - it was that you would be the one chosen to destroy the evil of terrorism all over the world and completely redeem the world from the agony of satanic forces. Now you see, there are many persons talking of compassion and forgiveness - maybe out of fear or blindness. A sinner who asks for forgiveness can be forgiven, but not a devil, at any cost.

In the Gītā there is an answer given by Śhrī Kṛiṣhṇa to Arjuna, His disciple. Arjuna was full of remorse and compassion, he puts down his bow and does not want to fight. He says to Lord Kṛiṣhṇa "You have told me about the state where a spiritually equipped person should be a witness -- Sthitapragñya." Lord Kṛiṣhṇa

observed "A person in the Witness State has no confusion at all and he has a clear mind. He develops the power and the will to destroy evildoers -- duṣṭa kṛtam." Lord Jesus Christ also hit with the hunter those who were doing business in the Temple of God. Lord Kṛiṣṇa asked Arjuna very emphatically to fight and destroy the evil so that the Truth should prevail. This is a great message of Gītā resounding all over the world, which has been tortured by the cowardly acts of the evildoers.

Now in this Kali Yuga, you are the one chosen for this act of redemption from evil. All the spiritual beings of the past and present bless you with courage and power to destroy the cowards who have perpetrated this most heinous crime. All the Sahaja Yogis all over the world convey to you the sincerest wishes for complete success in your noble and historic mission.

May God bless you and the beloved people of America. May Truth succeed under your leadership.

With all My love and blessings.

Your Mother,

**NIRMALĀ"**

**2001-0918 Letter to Honorable George W. Bush, President of the United States of America, Palazzo Doria, Cabella Ligure, Alessandria, Italy**

"Now, luckily somebody, some Sahaja Yogis met Mister Bush and they told him about Sahaja Yoga and they gave him Self-realization and all that, and Mister Bush was so impressed [that] he used to write to Me. He said that I want some ... books ... and I told him, when he was in two minds, what to do. [He said he was] ... not spiritually equipped and the war has broken out. I wrote him a nice letter that he has to fight because if you are spiritually equipped you will have more chance ...

And when I went to America they were very disturbed. They arranged for our reception. He sent twenty-five people to see Me. He was ... all the time worried about My safety and looked after Me.

Whatever I wrote to him he used that in his lectures. So many words he has used that I have written.

The thing is, I have seen some people who are very ... they just recognize Me."  
**2001-1218 Talk to Sahaja Yogis, after Evening Program, Function Room, Park Lane Hotel, Causeway Bay, Hong Kong, China**

“President of America, George Bush, also recognizes Me.

Recently I wrote him a letter and things started improving. General [Pervez] Musharraf also showed improvement and he addressed his nation and Islam based on the letter that I had written to Mister Bush.”

**2002-0114 Makar Saṅkrānti Pūjā (Marathi), Gain Self-confidence from the Light of the Sun and Become Radiant, House of Kalpana Shrivastava, Mumbai, Maharashtra, India**

“But uh-uh-uh, in this matter, in spiritual matters, they are very poor. Like uh, Bush has felt it, need. You see, and also ...”
