

# COMPREHENSIVE LIST OF QUOTES ON JUDAS

FROM 5 TALKS OF HER HOLINESS SHRI MATAJI NIRMALA DEVI

Sahaja Yoga ▪ Compilations ▪ sahajayoga.compilations@gmail.com

Beware, dear aspirants.

There is a Judas within us. Be careful. He walks with us, works with us. Sings the praises of the Divine Mother, but he is an ugly serpent, the representative of the satan, who is in disguise. He helped to crucify Christ in a sly manner. He may be a woman like Pūtana, who came to poison the child Kṛiṣṇa.

Let us all know the oneness in our Mother's Love. And take guidance in the burning flame of Her Divinity. **Guard against such ship sinkers in the ship of Sahaja Yoga.**

**May God give you knowledge to know the evil genius -- the negativity personified.**  
**1905-0000 Talk to Sahaja Yogis, Beware, Dear Aspirants from The Life Eternal, 1980 Issue, Page 25**

I said, ``Why did they do this philanthropic work, these churches, missionary work?" Somebody told Me that ``they did, Mother, because once there was a" -- before Christ was crucified, they brought some oil. He was to be rubbed with some very expensive oil. **So Judas gave a[n] explanation, saying that, ``Why do you want to waste this oil? Why not sell it and give it to the poor?" you see. So Christ said that ``Poor are all the time with you, but I am with you for a short time.**" See, now in that they start a philanthropic work. I said that is that said that divinity is important and not this ... So I said, ``Why did they follow this?" **I mean, what He said was that divinity, the divine life is much more important than looking after these poor.** But they have used it in the opposite direction. I don't know. I have not read the whole of it but must be some books they must have read.

They said, ``Because You know once He was to be, He was to be anointed with some very expensive oil," and I think **Judas said that ``How can you spend such a lot of money on Him, on His body? Let us sell it and give it to the poor."** So He said -- now, see, listen to this one carefully -- He said that, ``Poor are forever," means it's a permanent headache, you see, ``but I am for a short time." That means spiritual life is the thing.

Christ had all the disciples and I find all those types around, permutations and combinations and somehow Judas also, but they're rarely to be found.

1981-0329 Public Program, Workshop (morning), Garden, House of a Sahaja Yogi,  
Sydney, New South Wales, Australia

`` And were it not for sorrow in all of you I would not have stayed to weep. `` Who are you and what are you, Judas Iscariot? And why do you tempt me?" "

.....

`` Then of a sudden He turned to Judas, and He said, `` Get you behind me, man. Your kingdoms shall never be in my kingdom." "

That's Kahlil Gibran, it's tremendous.
