

Newsletter Nº2.

3 Nov. 89.

Thank you for all the encouragement expressed last week when our newsletter made its debut.

There is an urgent request for all those Yogis fortunate enough to be touring with Shri Mataji in India next month ...

MONEY MUST BE PAID NO LATER THAN NEXT FRIDAY NOV.10

Stephan has requested that these monies be paid in a negotiable form (no personal cheques unless you can pay much earlier than the deadline of Friday 10th.) Bank cheques or cash are considered negotiable.

A gentle reminder for the forth coming Christmas Concert Party. It will be very difficult to have one if we don't have any brave people coming forward to volunteer their talents.

Shri Mataji is currently in Turkey. Two very successful public programmes have been held.

Who is having a birthday soon? If you know some one is why not tell everyone so we can share the joy!

All contributions to the next newsletter are very welcome. Contact Sue Raggatt 642 5221 (or any of the ladies listed on last weeks newsletter.)
