

## Saturday School Activity

A bush walk near Audley (Royal National Park) happens tomorrow. It will be a reasonably difficult walk so it is aimed at older children. Rain is forecast but the organiser promised the walk will still take place. An expert on flowers & wildlife will give commentary and bush tucka will be consumed. The group leaves TAM SHARP (ha! ha!) tomorrow morning Sat 18. From Bland St.

## Bush Dance

A Family Bush Dance is being held by the Sydney Bush Dance club in the grounds of Glebe High School, Taylor St, Glebe. Time: 5pm - 8pm. Bring your own food for a picnic dinner. After 8pm there is a "big persons" Bush Dance. Music by Southern Cross Bush Band. Admission \$3.

## HELP!!

Are you firm of voice? Do you have a no-nonsense approach to discipline? Do you have the time to help a being discover its true self? Why not give a loving home to Sadhu? (the Henwood's much adored pet) Sadhu has been interstate for some time now, unfortunately, a new home must be found urgently. Why not develop a wonderful disciple/guru relationship with this 4yr old desexed bull terrier cross bundle of energy?

See Caroline Henwood.
