The formation of the library at Burwood continues to progress. It is now possible to borrow books! We still think it is best if there is a 'once only' registration fee of \$10 to cover postage and general library costs. It will be open on Friday nights at 7pm and after the programme. The next stage is to increase the number of books available for general use. If you would like to donate books and have any that you think suitable, you can now be assured they will be secure.

SYDNEY LIBRARY NEWS

stop press stop press
There have been some significant changes to the original schedule of this year's India tour.
1. It now starts in Delhi anytime between 21st November and the 24th November.
2. It is possible to go to Ganapatipule only. But it will cost \$500 and we must find our own way there as everybody will already be there.
So there will be no airport pickups etc.

3. The Australian contingent will almost certainly be flying out on the 23rd November. Still with that always.
4. We will still be catching the train out of Bombay, January 1st.
5. The requirements for travelling on the Bombay/Delhi train are: Name, age & sex to be given 60 days prior to travel.
As at this date (4.8.94) there are more people going on India tour from Western Australia than from NSW!
If you are in NSW and think there is still plenty of time, I assure you, you must think again. Shri Mataji has already asked me how many will be on India tour this year and I could not really give her an answer.

As of today, the numbers are:

NT 2 WA 14
VIC 3 MSW 10

No please, please let me know if you intend to go to India this year. Time is running out and as you can see from the itinerary, it's going to be a tour of tours.
