

Dear Editors,

This might be suitable for the Newsletter?: (Many Thanks)

After positive encouragement and advice from Dr. Ramesh, it was decided in Adelaide to approach a community radio station, 5PBA, in order for it to broadcast the same Sahaja Yoga Meditation program that has started on 2SER. It was not really known how to go about this but suddenly the "very simple" thought came "Just ring up and see!"

This radio station seemed appropriate based on its current programming and were rung to ask "How does one go about proposing a new program to be broadcast on your station". A rather weary reply came from the Chief Executive of the station, "OK, give me your name and address and I'll send you out an application form". It really seemed like she had gone through this process dozens of time per day and this was just another request. She seemed keen to terminate the call there and then, but a Yogi surely does not give up so easily!

When it was explained to her what the program would be about, she suddenly changed and became very interested, even passionately so. She kept on saying "That's amazing! That's amazing". Once the caller gave her a chance to speak, she exclaimed excitedly "That's amazing because we have so many people ringing up asking us why we don't we broadcast a meditation program." She then said only yesterday she had given this serious thought "and now you ring up!"

Although a formal application still has to be processed, it is with great confidence that we can say that in Adelaide: Radio Sahaj is Go! This would be a great thing for the so called "City of churches" where Shri Mataji's vibrated words can be carried through out the area via the ether. And of course it provides a great way to spread Sahaja Yoga to those who possibly otherwise may not have come across it. So, thanks to those in Sydney who started the radio program in the first place, but most of all great thanks to Shri Mataji for making it all possible.

Jai Shri Mataji!

SONGS OF KABIR

hamsā, kaho purāṇan vāt

TELL me, O Swan, your ancient tale.

From what land do you come, O Swan?
to what shore will you fly?

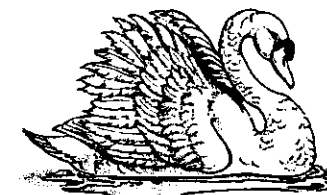

Where would you take your rest, O
Swan, and what do you seek?

Even this morning, O Swan, awake,
arise, follow me!

There is a land where no doubt nor
sorrow have rule: where the terror
of Death is no more.

There the woods of spring are a-bloom,
and the fragrant scent "He is I"
is borne on the wind:

There the bee of the heart is deeply
immersed, and desires no other joy.

BURWOOD RENOVATIONS

Working Bee this Sunday (19 November)

Shri Mataji has asked to stay at Burwood whilst she is in Sydney in February next year. This is a great privilege and blessing for us all.

Quite a bit of renovating, maintenance, and rearranging of rooms will have to be done to have the house in a suitable condition to receive our Divine Mother.

In the past this preparation was left until it had to be rushed at the last minute. This time we would like to have all the work completed well in advance of Shri Mataji's arrival. This will allow the parents more time to spend with their children, who will be back in Australia at that time. It will place less demand upon the Golden Builders, who work so tirelessly for Sahaja Yoga. It will also allow us to devote more time to all the "campaign" activities so vital to a successful public program.

Already the work has begun. Last Sunday some yogis spent the day painting rooms in preparation for the rearrangement which is about to take place.

We would like to continue on with the work, and invite everyone to come and help in a working bee, commencing at 9:00am this Sunday (19 November). Please lend your support to make this a dynamic and collective project.

REMINDER.

A reminder about meeting of parents at Burwood (ANC) 10am Sat. 18th Nov. to arrange activities for children whilst home on holidays from India School.

PLUS A BIG INVITATION for "new" children and parents to join-in and be part of the 1996-97 school year.

ALL visitors, Aunties/Uncles etc. more than welcome with ideas and assistance.

For more details contact Rob Richardson on phn. (02) 745 2996.
