Description of the birth of Shri Jesus

Addressing Nārada, son of Brahmā,

1-34. Narayana said :—"O Devarshi I The
egg (born of Moola Prakriti मूल प्रकृति) that was
floating in the waters for a period equal to the
life period of Brahmā, now in the fulness of
time, separated into two parts. Within that
egg there was a powerful Child, lustrous like
one thousand millions of suns. This child
could not suck mother's milk, as it was
forsaken by Her. So being tired of hunger,
the child for a moment cried repeatedly. The
child that will become the Lord of countless
Brahmāndas (universes), now an orphan
having no father nor mother, began to look
upwards from the waters. This boy came to
be denominated afterwards by the name of
Mahā Virāta (महा विराट), when he became gross
and grosser. As there is nothing finer than
radium so there is nothing grosser than Mahā
Virāta. The power of this Mahā Virāta is one-
sixteenth of that of Shri Krishna, the Highest
Self. But this boy, (born of the Prakriti—Rādhā)
is the Sole Stay of all this Universe and he is
denominated by the name "Maha-Vishnu"
(महा-विष्णु). In his every pore countless univer-
ses are existing.

India Tour 1996

Details of Musical Night - 6th Dec. 1996

The program started around 7 P.M with programs (bhajans and dances) being presented by young Sahaja artists from all over India. Our Divine mother arrived at around 8:15 P.M. After her arrival there was an excellent dance performance by two girls from Delhi and few bhajans by very young child sahaja yogis. Then there were three Qwaalli Groups who sang their qwallis before Shri Mataji that night. All the three groups gave an excellent performance before our divine mother. All the three groups acknowledged that their performance became excellent in her presence and praised her divinity and love for everybody. The first group performed for around 2-1/2 hours, second group performed for around 2 hours and the third group performed for around 1-1/2 hours. There were certain qwallis which were sung on the mother's request. Those were really excellent. The program finished at around 4:15 A.M (early morning). Mother explained to everybody present that Qwwallis were an excellent form of Music. since they have the classical raga base with excellent songs (having deep meaning). She praised about the Qwwallis rendered and the explained in some detail about the significance of Qwwallis.

Shri Rajlaxmi Puja - 7th Dec. 1996

Our Divine mother arrived at 7.30 for the Puja. Her lecture for the Puja was pretty interesting and informative for all of us. She asked all the sahaja yogis to stop the infighting within themselves and scolded people of certain places in India for infighting within themselves and forming groups within cities. She asked everybody to go deep in Sahaja Yoga (to have vertical growth) along with the horizontal growth of Sahaja Yoga. After the Puja got over by 10:00 P.M, presents from different countries were presented to mother.

Since I will not be attending any further programs of India Tour being held in different cities in India (including Ganapatipule), I think we all should wait for Phil Ward to finish the India Tour and report about all the different programs held in the India Tour.

Sarvesh Prakash Singh

In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God. All things were made by him; and without him was not any thing made that was made. In him was life; and the life was the light of men.

And the light shineth in darkness; and the darkness comprehended it not.

There was a man sent from God, whose name was John.

The same came for a witness, to bear witness of the Light, that all men through him might believe.

He was not that Light, but was sent to bear witness of that Light.

That was the true Light, which lighteth every man that cometh into the world.

He was in the world, and the world was made by him, and the world knew him not.

He came unto his own, and his own received him not.

But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name:

Which were born, not of blood, nor of the will of the flesh, nor of the will of man, but of God.

And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth.

Jesus answered and said unto her, Whosoever drinketh of this water shall thirst again:

But whosoever drinketh of the water that I shall give him shall never thirst; but the water that I shall give him shall be in him a well of water springing up into everlasting life.

And one of the elders answered, saying unto me, What are these which are arrayed in white robes? and whence came they?

And I said unto him, Sir, thou knowest. And he said to me, These are they which came out of great tribulation, and have washed their robes, and made them white in the blood of the Lamb.

Therefore are they before the throne of God, and serve him day and night in his temple: and he that sitteth on the throne shall dwell among them.

They shall hunger no more, neither thirst any more; neither shall the sun light on them, nor any heat.

For the Lamb which is in the midst of the throne shall feed them, and shall lead them unto living fountains of waters: and God shall wipe away all tears from their eyes.
