

## BHAJANS PRACTICE

There will be a bhajans night at Killara Ashram this Saturday night (11.12.99) at 7.30pm. All welcome!

*Life of my life, I shall ever try to keep my body pure,  
knowing that thy living touch is upon all my limbs.*

*I shall ever try to keep all untruths from my thoughts,  
knowing that thou art that truth which has kindled  
the light of knowledge in my mind.*

*I shall ever try to drive all evils away from my heart  
and keep my love in flower,  
knowing that thou has thy seat in the inmost shrine of my  
heart.*

*And it shall be my endeavour to reveal thee in my actions,  
knowing it is thy power gives me strength to act.*

*There should be an open mind and your Sahasrara is opened here. You know this is  
the heart chakra here and this heart chakra opens when the Sahasrara opens.*

***Open your hearts, then only can you enjoy yourself.***

*Now supposing I want to see something with My eyes, and My eyes are closed, can I  
see something and enjoy? If you have to feel something from your heart, your heart is  
closed, how can you feel that? So open your heart, in this way you will realise that  
things are not so difficult. It's all for us very easy, but we have to open our heart and  
respect each other. Sahaja Yogis must respect each other.*

Dear Sahaja Yogis,

Jai Shri Mataji!

Our American leader Manoj at the Virata Puja, Cabella, gave Shri Mataji the text of this book. She was very pleased and said that it will help to spread Sahaja Yoga. We have now Her blessings for its publishing, which is already in progress, and a limited number of copies may be available by the end of December. We are thus offering this spiritual research over the Internet to all the devotees of Shri Mataji Nirmala Devi for a collective examination since it will take quite a while for everyone to have their own copies.

For those with access to the internet, the address online is

SHRI ADI SHAKTI: THE KINGDOM OF GOD is based on actual events, and every single one of its 2,200 pages validates the Truth that our Great Divine Mother Shri Mataji Nirmala Devi has manifested on Earth. It is imperative that all Sahaja Yogis receive this book online simultaneously, before the New Millennium begins, so that they may be able to grasp the subtle working of the Paramchaitanya over the past six years. May all our brothers and sisters in Sahaja Yoga bear witness to this Truth as the Millenium of Light sheds its first faint ray. (Please check the fulfillment of 37 major prophecies from page 296-383.)

We'll not be challenged any more. But still we have to see for ourselves,  
that if we have this kind of recognition or not. . . . our capabilities  
should be up to that."*
