*...the most beautiful word
on the lips of mankind
is the word "Mother",
and the most beautiful call
is the call of "My mother".
It is a word full of hope and love,
a sweet and kind word
coming from the depths of the heart.*

*The Mother is everything:
she is our consolation in sorrow,
our hope in misery
and our strength in weakness.
She is the source of love, mercy,
sympathy and forgiveness...*

*...the word "mother" is hidden in our hearts,
and it comes from our lips
in hours of sorrow and happiness
as perfume comes
from the heart of the rose
and mingles with clear and cloudy air...*

STATE NEWS

from New South Wales...

Request for registrations for the National Yuva Shakti Camp at Wamuran from 6th to 13th July 2003

The 2nd National Yuva Shakti Camp is just two weeks away now... As the date draws nearer, we really need to know how many people are definitely coming on the camp so the Brisbane collective have enough time to arrange transport, food and all of the other essentials.

So far there are 31 people that have expressed an interest in coming, but we've only received forms for 16 of these. We also know that there are many more yuva shakti around that have yet to tell us if they are coming or not. Could you please let us know this week if you will be attending – either by email (gabdelaney@hotmail.com) or call Andrew on 02 9591 5295 or Gabby on 0412 398 560.

We would also like to know the travel details for anyone that has yet to inform us of these (so appropriate transport may be arranged).

It does promise to be another exciting week set in the lush tropical surroundings of the beautiful Wamuran property and we hope to see lots of our yuva shakti friends from around Australia there.

P.S. Thanks to those who helped at the video night last week at Burwood, and to those who came along and supported us. We managed to raise about \$400 that will go towards the cost of the camp.

INTERNATIONAL NEWS

from Canada...

Sahaj Collective in Waterloo, Canada
enjoys Sydney Radio Program

Jai Shri Mataji.

My name is Dushyant Sharma. I am a yogi living in Waterloo (Canada). We listen to the Sydney radio program collectively every Saturday (our time!). It is a great experience and the vibrations are really good.

I am writing to ask if you could allow us to record one of the programs on a CD and donate to our local institutions such as libraries and schools. This will allow people to rent the CDs from these places and be able to go through the guided meditations.

I am currently studying at Waterloo University and many of my friends want to learn meditation and they find this approach very comfortable as they can do the meditation at a time that is convenient. Most of the students at the uni are foreign and can not get to the weekly classes so easily. Also time is constraint for them. Thanks.

Love,
Dushyant

Request for Sahaj Music
for movie being produced by
Yuva Shakti Universal

Dear brothers and sisters, Jay Shri Mataji. The *Yuva Shakti Universal*, the "producer" of Yuva movies from Brazil, of the latest *MIL-Men in Light* and *Mr.Ego*, is concluding a new project and would be very happy to have you with us.

Our new movie is called *In the Arms of Spring*. It takes place during the 80's, and narrates the story of little Johnny: an eleven year old boy who suffers the lack of love from his parents. His parents are divorced and only think about themselves. Johnny lives with his mother and feels guilty for ruining her life. Johnny closes himself in a world of his own until he can't bear it any longer. He decides to run away and find happiness in some other place. On his flee, Johnny comes across a lady that is called the "Wife of God". She removes all his doubts and teaches him that the true love is inside our hearts. Johnny decides to go back home and spread that love.

While recording the movie and reading the script over and over again, we had the idea of inviting the Sahaja musicians of the highest quality that could transform this feeling into music, in order to produce an album, that would be sold in Canajoharie, along with the release of the movie.

As you know, the *Yuva Shakti Universal* has a non-profit purpose and we make the movies out of donations. Therefore, the money of the album would be used for future productions. Our only aim is to contribute to the formation and in spreading Sahaja Culture without borders. We are waiting a response for further information and confirmation. In order to have the album ready in time, we should receive the songs up to 22nd July

Many thanks.

Jay Shri Mataji Yuva Shakti Universal
