Love has nothing to do with what you are expecting to get—only what you are expecting to give, which is everything.

What you will receive in return varies, but it really has no connection with what you give. You give because you love and cannot help giving.

Final messages for Yuva Shakti Week and National Guru Puja Weekend at Wamuran

Everything is ready at Wamuran for what promises to be a great eight or nine days.

On behalf of the Brisbane collective and the Yuva Shakti, I would like to thank the adults who are coming to Wamuran to help with the Yuva Shakti.

There have been inquiries as to what the adult helpers will be paying for their stay at Wamuran during the Yuva Shakti week before the Puja weekend. It will be \$8.00 per day to cover food plus normal rates for the Puja weekend.

The Yuva Shakti camp starts this Sunday at Wamuran. They are anticipating over 30 yuva shakti.

Anyone that can come to help is welcome, however it must be stressed that this is to HELP, not to holiday as it places a burden on the adults who are cooking (they need more of these) and the adults helping supervise (they need more uncles).

So if you would like to spend a week prior to puja in the best possible cause for our young, come on up and have a great time. Please let the organisers know first.

(It would be just like a holiday only BETTER!)

Best wishes

Invitation to attend National Diwali Puja Weekend in Adelaide

There has been some confusion about whether or not we were having this Puja this year. The good news is that we will be celebrating Diwali Puja on the weekend from Friday 7th November to Sunday 9th November and a Public Program on Monday the 10th.

We welcome our brothers and sisters from around the country to share this occasion with us. We have secured a beautiful new venue in the Adelaide Hills not far from the city.

We were keen to have this weekend and there are several newer yogis who are very committed to the collective now. This will provide them with an opportunity to deepen and have a wider experience of what Sahaja Yoga is.

Please put the date in your diaries. Mother's Blessings and love to all.

Sahaja Yoga Children's Clinic: an update!!

A few people have been asking what is happening with the Sahaja Yoga Children's Clinic. We were aiming to open in mid June but did not have enough kids responding at that time, so we have postponed things until after the school holidays.

So now we will start on Saturday July 26 at the same time of 12pm to 4pm.

The staff information / training night will be the preceding Saturday (ie Saturday July 19, either at 7.30pm or after the Saturday night programme) at Burwood.

Also, we have had some problems with our email address, so it is now changed to syclinic@optusnet.com.au. You can direct any enquiries to this address (or by phone).

Please continue to spread the word about the clinic—word-of-mouth advertising is the most effective means that we have!!!
