### Invitation to join the Perth Collective for National Navaratri Puja Celebrations 2003

The Perth Yuva Shakti are honoured to be co-hosting this auspicious event and wish to invite all Australian and South-East Asian and Island brothers and sisters to attend, as well as Sahaja Yogis from anywhere in the world!

All of you will be so welcome at Gidgegannup. We can promise delightfully mild weather and plenty of opportunities to be in the nature with Shri Ganesha in Mother's Daisy Fields in Perth.

Puja dates are set down for October 10-12 (subject to change).

A Public Programme is being organised in Perth City at the Central TAFE College and the seminar, entertainment and Puja will be held at Gidgegannup, where guests will be accommodated. The official program is being finalised and will be published in coming newsletters, so watch this space!

If you would like to come early and be part of the preparations we will take very good care of you and can find beds and meals for any number of yogis - so don't hesitate. Call now.

### Ganesha Puja arrangements for Victorian Collective

Dear Victorian Collective

The ladies of each state have been invited to contribute Lakshmi gifts to be presented to Sri Mataji at Ganesha Puja in Cabella.

Any ladies wishing to create or organise gifts please contact me as soon as possible.

Preparation for Ganesha Puja at Hiawatha on Sept 13-14:

*group A - cooking*  
*group B - set up*  
*group C - clean up*

We will hold the puja on Sunday beginning at 11.00am.

I would like to encourage everyone to come to Hiawatha for the entire weekend so that we can have a havan on Saturday afternoon, followed by a collective entertainment night. Bring along any games, play some music or tell a few jokes, plus bhajans!
