The One Sacred Spirit clearly distinguishes the visible and the invisible: Heaven and Earth.

In causing existence, the Sacred Spirit is like the wind. Being a spirit, nothing can be touched, nothing can be seen. But you can see the effects of the One Sacred Spirit; you can see everything it brings into existence.

Nothing else can do this.

The One Sacred Spirit made a vast multitude of beings. Everything under the Heaven is filled with this Spirit.

Shri Kalki and Kundalini Shakti talk:
an update to previous message

Since this message went out, the process of copying these tapes has become a part of a large scale project.

The aim will now be for the collective to purchase a CD/DVD multi-copy burner and produce this talk in CD format as opposed to tape. This process will take a little while as it is part of a bigger ongoing project which will be of benefit to all.

Thank you for your patience.

SAHAJ INTEREST

The first Mother's Day

Arise, then, women of this day! Arise all women who have hearts, whether your baptism be that of water or tears! Say firmly: "We will not have great questions decided by irrelevant agencies. Our husbands shall not come to us reeking with carnage, for caresses and applause. Our sons shall not be taken from us to unlearn all that we have taught them of charity, mercy and patience. We women of one country will be too tender of those of another to allow our sons to be trained to injure theirs." From the bosom of the devastated earth, a voice goes up with our own. It says, "Disarm, Disarm!"

The sword of murder is not the balance of justice. Blood will not wipe out dishonour, nor violence indicate possession. As men have often forsaken the plough and the anvil at the summons of war, let women now leave all that may be left of home for a great and earnest day of counsel. Let them meet first, as women, to bewail and commemorate the dead. Let them solemnly take counsel with each other as to the means whereby the great human family can live in peace, each bearing after his own time the sacred impress, not of Caesars but of God.

In the name of womanhood and of humanity, I earnestly ask that a general congress of women without limit of nationality may be appointed and held at some place deemed most convenient and at the earliest period consistent with its objects, to promote the alliance of the different nationalities, the amicable settlement of international questions, the great and general interests of peace.
